Dworak.

SENATOR DWORAK: Doesn't Senator Barnett have a motion on the floor.

PRESIDENT: He said he was going to withdraw it but...well, it never was in writing, Senator Dworak. All right. Record your vote on...Senator Simpson.

SENATOR SIMPSON: Mr. President, I would just mention in passing that we were told at the first of the year by the Executive Board each of us would be responsible for our own secretary throughout the session and so I would assume this is just an affirmation of what has already been decided back at the first of the year when we hired our secretaries.

PRESIDENT: Senator Burbach.

SENATOR BURBACH: We are talking about Senator's secretaries and the department heads of the Legislative body. No mention has been made of the Pages. Is this all inclusive or are we overlooking something? I don't know.

PRESIDENT: This young Charlie tells me it has already been taken care of. They have already been instructed. They are the only group that knows what is going on.

SENATOR BURBACH: I withdraw the question.

PRESIDENT: The question is before you. It is the Cavanaugh motion. Record your vote. Record the vote.

CLERK: 32 ayes, Mr. President. Mr. President, I move we adjourn until 10 o'clock, April 2, 1975.

SENATOR BURBACH: Just a second, please.

PRESIDENT: There is a motion to adjourn. The Speaker does have the authority to speak before that is taken up.

SENATOR BURBACH: I would like to have all the Chairmen of the Standing Committees immediately upon adjournment, which I hope is momentarily now, to come to the Speaker's office. I would like to visit with them a few moments. It won't take very long.

PRESIDENT: Motion to adjourn. All in favor say aye. Contrary nay. We are adjourned.
